Placement report for MCA batch 2015- 2018

MES' IMCC institute had proved to be a great place for placements apart from academics.

For the batch of 2015-2018, we tried to provide placement on various roles from a wide range of companies.

Few of our campus recruiters are Tata Consultancy Services (TCS), Capgemini, PTC, Persistent, Symantec, and many more.

Prior to placement activity, students' were trained on various topics, starting from building their confidence to current technology trends, and even mock interviews were also conducted, to provide a visualization of campus interviews.

Training sessions were conducted on building up confidence level, self-grooming, and on latest technologies and its scope, how they can turn their career goals into reality etc.
Prior mock interviews were also conducted to guide students in their preparation. Industry level experts had conducted, and guided students in their preparation by highlighting on their strengths and weaknesses and how else can they improve themselves.
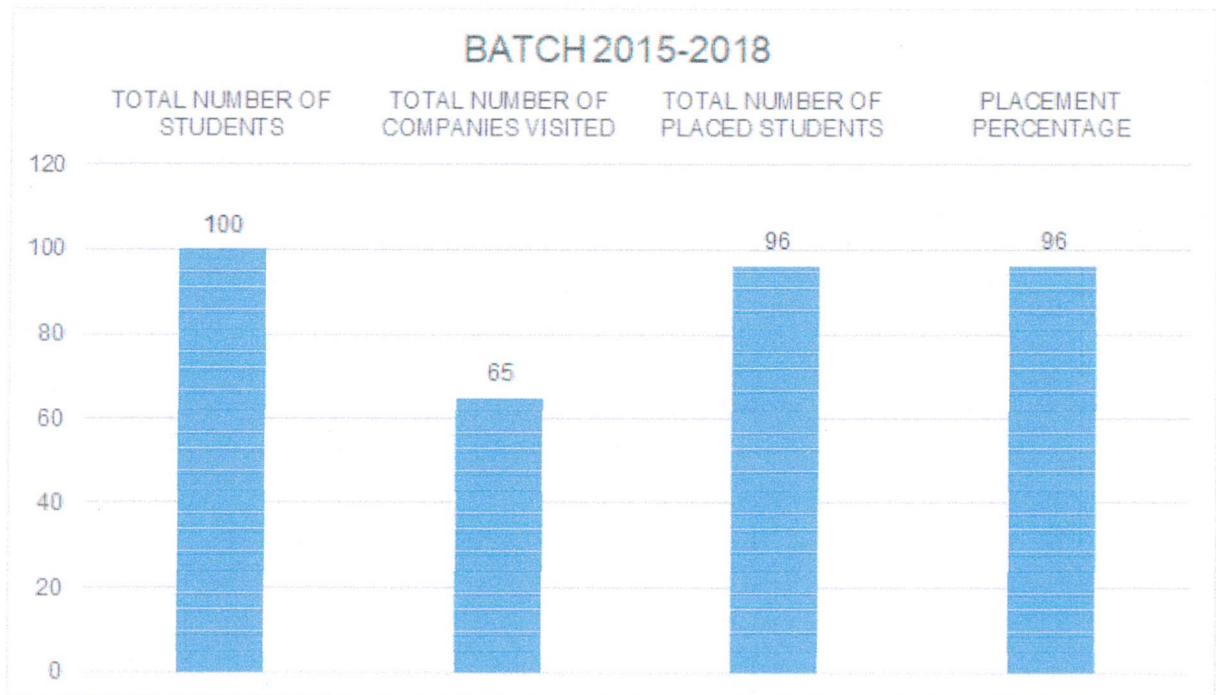

As the end result, students were completely prepared, were ready for campus interviews, and secured their dream job.
