KARGIL VIJAY DIWAS CELEBRATION REPORT

Kargil Vijay Diwas, named after the successful Operation Vijay, is celebrated in India on 26 July. On this date in 1999, India successfully took command of the high outposts which had been lost to Pakistan.

The Kargil war was fought for more than 60 days, ended on 26 July and resulted in loss of life on both sides. The war ended with India regaining control of all the previously held territory, hence re-establishing the status quo ante bellum.

Kargil Vijay Diwas is celebrated on 26 July every year in honor of the Kargil War's Heroes.

This day is celebrated in the Kargil-Dras sector and the national capital New Delhi, where the Prime Minister of India pays homage to the soldiers at Amar Jawan Jyoti at India Gate every year.

Functions are also organized all over the country to commemorate the contributions of the armed forces.

On this occasion, to inculcate and improve respect about our Indian army and country within the young generation of our state, the Maharashtra State Government declares to conduct a screening of patriotic movie "Uri: The Surgical Strike".

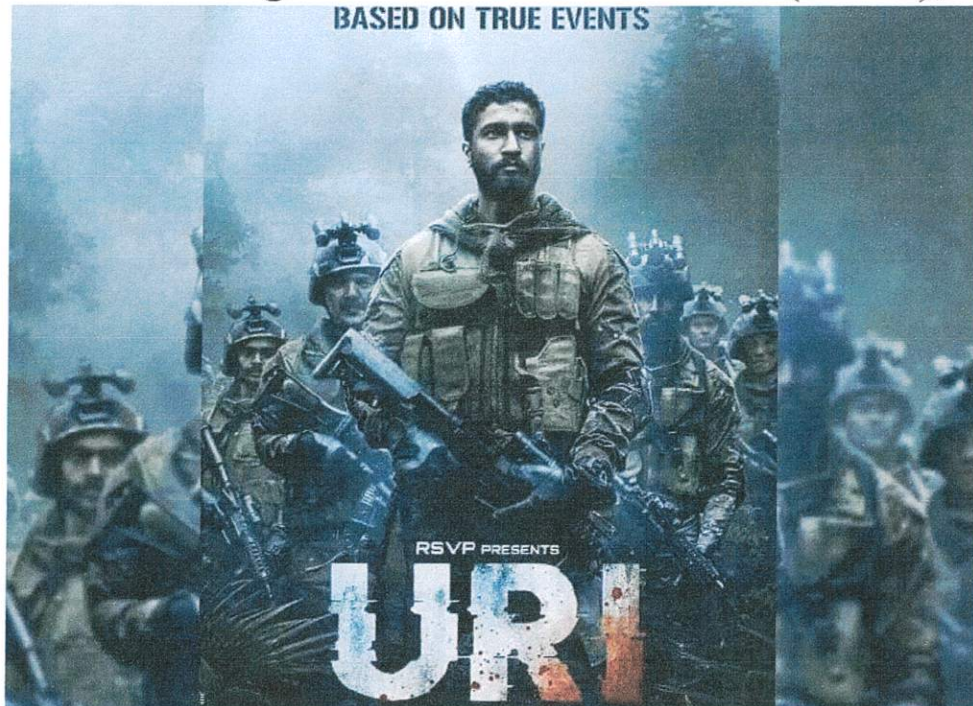

IMCC conducted this show in the auditorium on 26th July 2019 at 10.00 am. All students, teaching, non-teaching staff attended the show.

DIGITAL WELLNESS LECTURE 30th May 2020 REPORT

Mobile and other Digital technologies have become an indispensable part of our lives today, bringing in many advantages. But too much of a good thing becomes bad, sooner than later. Unfortunately, there is a lot of ignorance about mobile usage, especially its ILL-EFFECTS.

To address this concern, MES's IMCC had organized a webinar to learn simple yet effective Digital Lifestyle Techniques.

Due to COVID-19 situation, everyone was using their electronic gadgets a lot. So this webinar was very useful for all the students, their families as well as faculties, support & admin staff. It helped them in identifying the thin line of demarcation between apt usages of technology against the over-usage of the same.

Due to this webinar, our attitude towards gadgets became holistic and we started using them more responsibly and productively.

The resource person of this webinar was Dnyaneshwar Nerkar, Cofounder of Tekvision (tekvision.in), and a Digital Wellness Ambassador. He took us through an amazing journey of Digital Detoxification with some eye-opening scientific data!

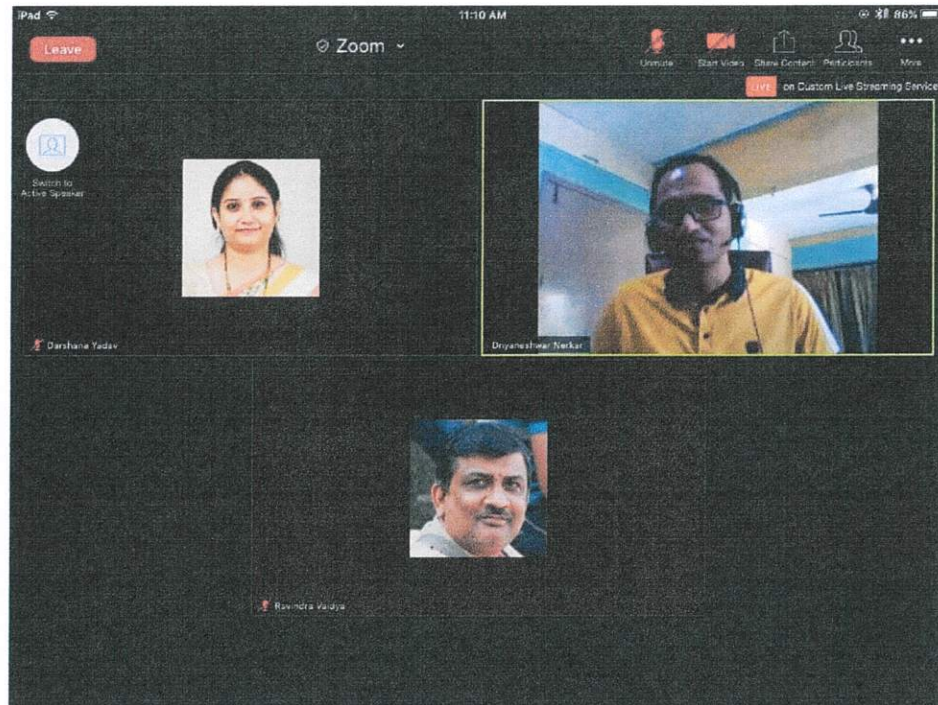

The webinar was conducted on 30th May 2020 at 11.00 AM on zoom app. Also its live streaming was there on IMCC's Facebook page.

All teaching, non-teaching staff and students attended the webinar. Total attendance was 99.
