

Maharashtra Education society's
Institute of Management and Career Courses (IMCC), Pune

External Examination

Institute conduct following types of External Examinations:

- Semester Examinations
- Supplementary Examinations

Semester Examinations

University typically follows a semester system wherein an academic year is divided into two terms. The final assessment is on basis of:

- Internal Assessments conducted by the respective colleges.
- External / University End Semester Examination typically conducted by the Universities.

Supplementary Examinations

Supplementary Examinations are conducted to provide a second chance to students who didn't qualify in the external examinations.

Overview of External Examination Process

1. Pre-Examination Phase

This phase typically consists of activities like notification of examination fee structure, schedule of examination application form submission to the student as per the schedule given by the university.

Examination forms duly filled, verified and affixed with latest stamp sized attested photographs of the candidate are arranged Examination wise, course wise and branch wise by the institutes and submitted to the University by due date.

On the basis of examination forms collected, hall tickets are generated for the end semester examinations by the university. Students can collect hall tickets from the institute.

Maharashtra Education society's Institute of Management and Career Courses (IMCC), Pune

Institute will notify the student regarding the examination time table received from the University website.

2. Examination Phase

College examination officers will receive OTP from the university and download the respective question paper half an hour to one hour before the examinations as prescribed by the university. The Questions papers are then sent to examination halls.

Invigilators distribute question papers to the candidates at exam time. The Candidates write the examinations on the Answer sheets provided by the Examination Centers.

The invigilators collect the answer booklets from all the candidates at the end of the examination. The institutes then arrange the answer booklets course wise, subject wise, branch wise etc and send them to the respective CAP (Central Assessment Programme) Centers.

3. Post Examination Phase

All the answer sheets collected at CAP are masked before assessment as per University Act. Universities employ different methods for this including: manual coding of answer sheets, barcoding etc.

In the CAP centers, respective course teachers assess the Answer Booklets and moderate as per the prescribed norms. Accordingly marks on the answer booklets are tabulated and fed in the results sheets. In the meantime, the affiliated colleges provide the internal marks and lab marks to the university. On the basis of this the final result is declared and mark sheets/ grade reports/ Passing certificates / Provisional Degree Certificates are issued to the

Maharashtra Education society's
Institute of Management and Career Courses (IMCC), Pune

student. Institute will circulate mark sheets to the students.

Any student may apply for verification / photocopying / reevaluation. Following this, the answer sheets are verified (retotaling) / photocopied / reevaluated as the case may be.

Internal Evaluation , Concurrent Evaluation & Examination Policy

Master of Computer Application

(MCA)(2020 Pattern)

IMCC MCA EXAMINATION PROCESS

Internal Assessment is done as per the norms of concerned programme i.e., MCA offered by the Institute of Management and Career Courses affiliated to SPPU.

MCA has a Choice Based Credit System (CBCS). CBCS enables a student to obtain a degree by accumulating the required number of credits prescribed for that degree. Each course is assigned a fixed number of credits based on the contents to be learned & the expected effort of the student. Continuous Learning & Student Centric Concurrent Evaluation is the main key feature of Choice Based Credit System.

+ MCA Program Structure

Course Type	Credit	Total Credit During MCA	Internal Evaluation	End Semester Evaluation	Total
Subjects	3	51	25	50	75
Open Source Subjects	1	6	25	0	25
Practical	5	15	75	50	125
Mini Projects	5	15	75	50	125
Soft Skills	1	3	25	0	25
Project	22	22	300	250	550
Total Credit		112	1400	1400	2800

**Maharashtra Education Society's
Institute of Management and Career Courses (IMCC), Pune**

In total 112 credits represent the workload of a year for MCA program.

Semester	Credit	IE	UE
Semester I	28	350	350
Semester II	28	350	350
Semester III	28	350	350
Semester IV	28	350	350
Total	112	1400	1400
			2800

The MCA programme is a combination of:

- a. Three-Credit Courses (75 Marks each): 3 Credits each
- b. Two-Credit Courses (50 Marks each): 2 Credits each
- c. One-Credit Courses (25 Marks each) : 1 Credits each

PRE-EXAMINATION PROCESSES:

The Internal Examination coordinator prepares the schedule of Internal Examinations and the same will be communicated through official communication channels like notice boards, website, etc.

1. EXAMINATION SCHEME: -

2.1 Three-Credit Courses (75 Marks each): -

For each Three Credit course, 25 will be based on evaluation and 50 marks for semester end examination conducted by university, unless otherwise stated.

Sr. No	Exam	Marks	Converted
A	Mid Term Assessment	20	80
B	Term End Assessment	50	
C	Course End Survey	10	
D	Continuous Assessment		
	Problem Based Assessment/ Practical Based Assessment (PBA)	50	10

Maharashtra Education Society's
Institute of Management and Career Courses (IMCC), Pune

Theory Based Assessment/ Tutorial Based Assessment (TBA)	20	5
Total Marks	150	25

Table 1:- Complete Internal Examination Scheme for Three Credit Course.

The internal evaluation of 25 marks further divided into Written Examination (Assignments/Unit test/written examination etc.), Practicals and Tutorials. The details have been specified in each course. Internal assessment for the course is based on following concurrent evaluation.

- A. Mid Term Assessment (20 Marks)** - First internal examination of I, III and V Semester will be conducted in the month of September April and for the semester II, IV and VI will be conducted in the month of February. Mid Term Assessment will be based on Objective type Questions
- B. Term End Assessment (50 Marks)** - Second internal examination of I, III and V Semester will be conducted in the month of October and for the semester II, IV and VI will be conducted in the month of March. Term End Assessment will be based on Objective type Questions, Short Answer Questions etc.
- C. Course End Survey (10 Marks)** - In this method, a student is asked to assess himself / herself on his/her understanding or demonstration of the course outcomes. A well-designed questionnaire mapping to all the Course Outcomes is part of the Course End Survey and will be conducted at the end of Course.
- D. Continuous Assessment (70 Marks)** - Course faculty members shall have the flexibility to design the Continuous Assessment components, marks and its execution in a manner so as to give a balanced assessment of student capabilities across Knowledge, Skills & Attitude (KSA) dimensions based on a variety of assessment tools throughout the semester.

Continuous Assessment (70 Marks)

- Problem Based Assessment/ Practical Based Assessment (PBA)-50 Marks
- Theory Based Assessment/ Tutorial Based Assessment (TBA) -20 Marks

In the above table total Internal Theory course evaluation of 150 marks will be converted to 25 Marks (Internal Marks i.e. IM). And out of 25 Marks Students have to score a minimum 40% i.e. 10 Marks to pass the Internal examination. If the student fails in Internal Marks (Marks ranges 0-9) will get one more chance to pass the internal examination that test is Performance Improvement Test (PIT).

Performance Improvement Test (PIT) is of 60 Marks. After this test Final Internal Marks (FIM) will be calculated as follows

Maharashtra Education Society's
Institute of Management and Career Courses (IMCC), Pune

FIM(Out of 25Marks) = (IM (out of 25 Marks) + PIT marks (50 Marks)) will be converted out of 25 Marks

Even if a student is not able to achieve a passing score in FIM then he/she will be declared as Failed.

2.2 Practical/Project- Five-Credit Course (75 Marks): -

2.2.1 Practical-Course faculty prepares the schedule for practical assignment submission, and shares it with students through official channels like notice board. Total Practical will carry 30 Marks. And at the end of the semester students have to attend Practical Examination. Practical Examination will be of 20 Marks. The total marks of the practical course will be calculated as follows

Practical Marks (out of 75 Marks) = Notebook/Journal (out of 15) + Practical assignments (out of 30 Marks) + Internal Practical Examination (out of 30 Marks).

2.2.2 Mini Project- Course faculty prepares the schedule for submission of project milestones, and shares it with students. Each milestone will carry some marks. Students have to do the project submission on time. And at the end of the semester students have to deliver Project Presentation and Viva. Project Course also carries 75 Marks.

Project Marks (out of 75 Marks) = Project Documentation (out of 15 Marks) + Project Milestones/Submission (out of 30 Marks) + Project Final Presentation/Evaluation (out of 30 Marks).

2.3 Open Subject, Case Study and Soft skill (25 Marks each) :-

Institute decides the contents for Open subject, Case Study and Soft skill. It is decided as per the industry requirements. The execution and evaluation pattern is communicated to students before the commencement of the respective course.

Note: - This scheme is applicable for MCA 2021-2023 batch

MID TERM ASSESSMENT (2021-22) TIME TABLE

Date: 19-1-2022

All **MCA I (SEM-I)** year students hereby informed that **MID TERM ASSESSMENT** of all courses is scheduled as follows-

Date	Time	Course Name and Course Code
3/2/2022	9:30 AM TO 10:00 AM	Java Programming (IT-11)
	11:30 AM TO 12:00 PM	Data Structure and Algorithms (IT-12)
4/2/2022	9:30 AM TO 10:00 AM	Object Oriented Software Engineering (IT-13)
	11:30 AM TO 12:00 PM	Operating System Concepts (IT-14)
5/2/2022	9:30 AM TO 10:00 AM	Network Technologies (IT-15)

Note: -

1. Test will include objective type of questions.
2. Each course Test will be of 20 Marks.
3. Exam time limit is 20 Mins.
4. Total Questions: 20
5. No negative marking.
6. Test will be conducted using online mode through imcc.sppulms.in. at IMCC campus.
7. Attempt test through camera enabled and latest chrome browser.

Dr. Shweta Meshram

Dr. Ravindra Vaidya
(HOD, Computer Dept.)

MES INSTITUTE OF MANAGEMENT AND
CAREER COURSES

TERM END ASSESSMENT (2021-22)
TIME TABLE

Date: 11-03-2022

All MCA I (SEM-I) year students hereby informed
that **TERM END ASSESSMENT** of all courses is
scheduled as follows-

Date	Course Name and Course Code
28/3/2022	Java Programming (IT-11)
29/3/2022	Data Structure and Algorithms (IT-12)
30/3/2022	Object Oriented Software Engineering (IT-13)
31/3/2022	Operating System Concepts (IT-14)
1/04/2022	Network Technologies (IT-15)

Instructions:

1. Test will include objective type of questions
2. Each course Test will be of 50 Marks.
3. Total Questions: 50. Each question carries 1 Mark.
4. No negative marking.
5. Quiz will open at 10:00 AM- and Close at 11.30 AM. And Time limit is: 60 Mins.
6. Test will be conducted using online mode through imcc.sppulms.in.
7. Attempt test through camera enabled and latest chrome browser.
8. Other details will be communicated by the course teacher.
9. In case of any grievance, kindly email your application to exam.imcc@mespune.in duly stating the grievance in the subject line.

34 more responses are hidden

Course Delivery

The teacher was organized, well prepared, and used class time efficiently.

134 responses

The teacher explained and illustrated course contents clearly and was easy to understand.

134 responses

The teacher encouraged student participation in class

134 responses

The teacher presented learning material in a clear manner that facilitated understanding.

134 responses

The teacher's teaching methods were effective.

 Copy

134 responses

The teacher emphasized on advanced topics along with fundamentals

 Copy

134 responses

I was able to access the teacher outside of scheduled class time for additional help.

 Copy

134 responses

Student Involvement and Engagement

I attended class regularly

 Copy

134 responses

I was well-prepared for class/discussion sections

 Copy

134 responses

I have put a great deal of effort into advancing my learning in this course

 Copy

134 responses

In this course, I have been challenged to learn more than I expected

 Copy

134 responses

Student Learning and Course Outcomes

I can implement Linked List

 Copy

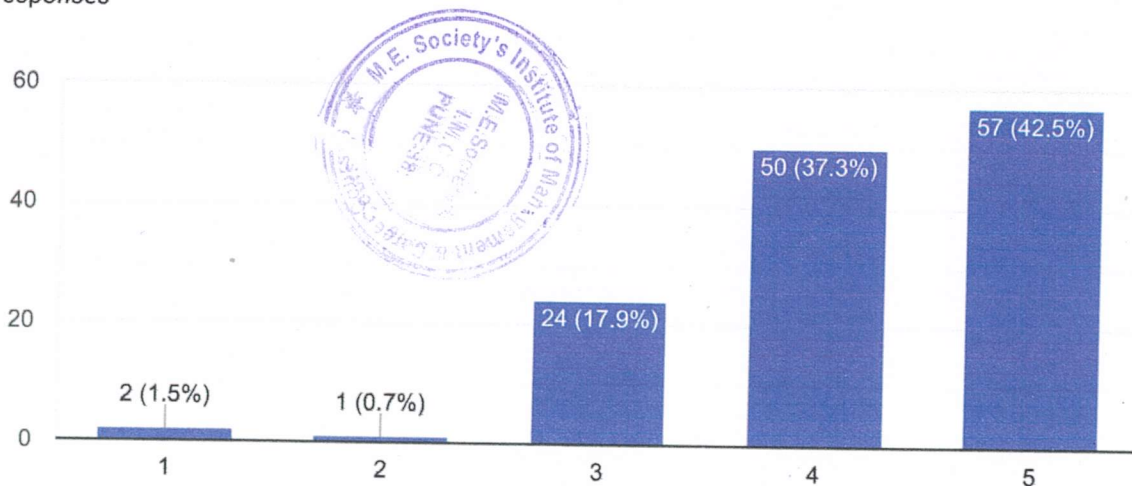

134 responses

I am capable of implementing operations of stack and able to apply stack data structure

 Copy

134 responses

I can implement queue data structure

 Copy

134 responses

This course helped me to understand non linear data structures Tree and Graph

 Copy

134 responses

This course helped me to construct Binary Search Tree and also to implement various BST traversal methods

 Copy

134 responses

I am capable of constructing various types of trees like AVL Tree, Red Black Tree, Fenwick Tree and Segment Tree

 Copy

134 responses

I can represent graph and traverse it using BFS and DFS

 Copy

134 responses

The course helped me to understand the concepts of hash tables and heaps

132 responses

This course helped me understand Brute Force approach and I can apply it for various problems like linear search, travelling salesman problem etc

134 responses

I am confident to apply greedy and divide and conquer technique for problems like finding shortest path using Dijkstra's algorithm, Tower of Hanoi problem etc.

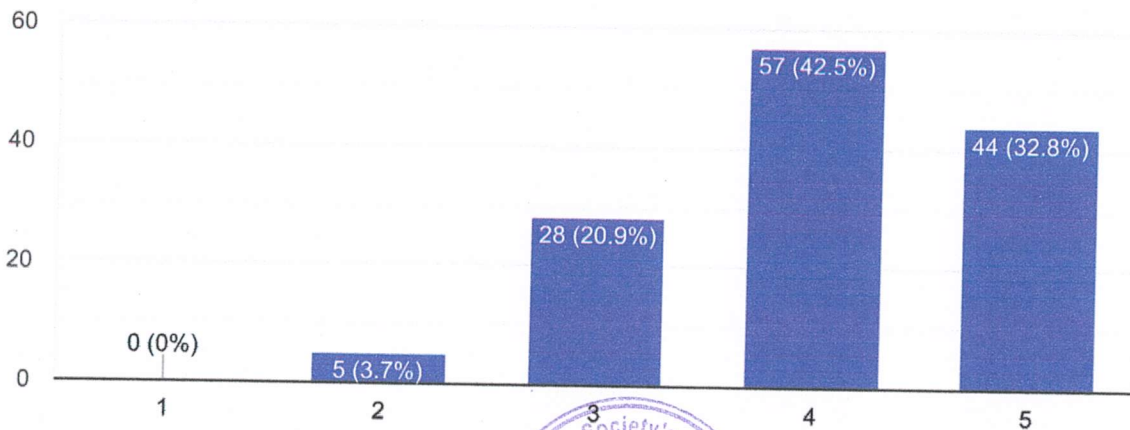

134 responses

This course helped me to understand Dynamic Programming technique and I can apply it for various problems like 0/1 Knapsack problem, Unique Paths, Regular Expression Matching etc.

134 responses

This course helped me to understand Backtracking technique and I can apply it for various problems like Power Set, N Queen's problem, Hamiltonian Paths, Knight Tour Problem etc.

FYMCA 2021-22 Course End Survey

IT12 Data Structure and Algorithms

This survey is conducted to gauge student's understanding of the course content and the confidence this course imbues in a student to provide technical solutions based on course understanding.

Survey questions are based on different aspects of course delivery, student's involvement, engagement, learning and course outcomes.

Each question has to be accessed on levels 1 to 5 where 1 is Low and 5 is Highest. Please answer this survey fully and completely and help the institute in making this course more effective.

*** Required**

1. Roll Number *

2. Name *
