Ph.D Coursework on Research Methodology

Date – 7th November – 23rd November 2022

Time – 1:30 – 5:00 pm

Venue- Online

MES IMCC in association with SPPU has organized Research Methodology Course Work from 7th November 2022 to 23rd November 2022 in Online Mode. The core objective of the course work was to equip the research scholars with skill set and competence to undertake the research effectively in the subject Computer Management under the faculty of Commerce and Management from SPPU. This coursework is designed to offer the practical guidelines through all the stages of research from identifying and defining a research problem to the submission of a plagiarism free dissertation, report writing and research article. The course intends to deal with a variety of quantitative and qualitative research methods used in Computer Management research. The course work consists of both theory and practical. The course work commenced, after the registration of participants, introductions and Inaugural function. On 7th November 2022, the coursework was inaugurated by DR. Parag Kalkar sir, Dean, Faculty of Commerce and Management and Dr. Amol Goje sir, President of Society of Data Science along with Dr. Santosh Deshpande, Director MES's IMCC, Dr. Manasi Bhate, Dyp. Director MES's IMCC and Dr. Ravikant Zirmite, HOD MCA, MES's IMCC.

Day 1: Inaugural Session and Session on “Academic Research Integrity”

Dr. Goje sir insisted scholars to contribute to the society by doing quality research. Sir suggested that the topic selected should be in such a way that it should provide some solutions to real life problems.

Dr. Kalkar sir stated the objective of Research Methodology Coursework is to make you aware of what happens during the process of research. Scholars need to find the end user of the outcome of research. Small contribution to the body of knowledge is expected from all research topics.

Opening session was conducted by Dr. Mrs. Meenal Oak on the topic “Academic Research Integrity”. She elaborated the meaning and purpose behind the research process. During her session she highlighted the

During 15 days of workshop, eminent personalities from research fraternity across the nation accompanied budding research scholars to start with their research journey.

Day 2: Research Design and defining Research Problem

Day 2 started with a session on "Research Design" by Dr. Rudrarameshwar, Ph.D. – IIT Roorkee, M.Tech. – IIT Roorkee. Sir discussed the meaning and significance of research design. He also explained what is Exploratory Research Designs, Descriptive Research Designs, Experimental & Quasi Experimental Research Designs, Case Study Research Designs and importance of these in research.

In the second session Dr Rudrarameshwar sir discussed Defining and formulating the research problem, Formulating the Research Question & Research Objectives. Sir mentioned characteristics of research problems, steps in identifying research problems.

Day 3: Review of Literature and Hypothesis

Day 3 started with the session on "Review of Literature" by Dr. Manisha Paliwal madam, Professor and Deputy Head- Research and Development Centre in Sri Balaji University, Pune. Ma'am discussed how to start with how to read the article? How to find the gap from the article? And also, how to write reviews of literature. How to write a review in a thematic way? Ma'am demonstrated the use of Mendeley reference manager.

Second session was conducted by Dr. Rudrarameshwar on Hypothesis. Sir started his session with the meaning of hypothesis, objective of hypothesis in research. He demonstrated null and alternative hypotheses and used some statistical techniques to reject or fail to reject null hypotheses. Sir also guided on how to present the findings.

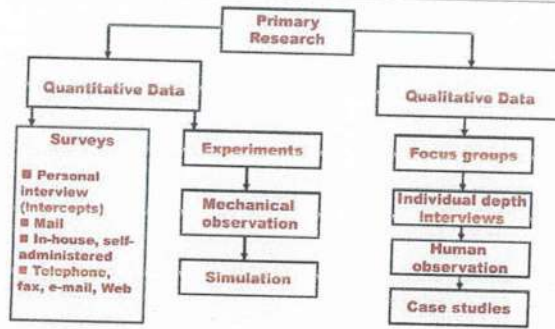

Day 4: Bibliometric Analysis and Primary and Secondary Data

First session was on Bibliometric Analysis conducted by Dr. Gauri Prabhu madam. Bibliometric analysis is a well-known and challenging method for analyzing and exploring huge volumes of scientific data. She presented an overview of the bibliometric methodology, with a precise focus on its different techniques, while offering guidelines that can be dependent upon meticulously performed bibliometric analysis with confidence.

Second session was conducted by Dr. Rudrarameshwar on Primary and Secondary Data. Sir explained the meaning of primary and secondary data. Methods to collect primary data like surveys, questionnaires, interviews, focused groups etc. Sir also discussed secondary data. It includes studies and reports by government agencies, trade associations or other businesses in your industry. He guided on how and when to use secondary data.

Primary Research Methods & Techniques

Dr. Rurdameshwar discussing Primary Data

Day 5: Qualitative and Quantitative research

Dr. Kunal Patil, Assistant Professor Dr. D.Y.Patil Institute of Management Studies , Akurdi, Pune, delivered a session on Qualitative and Quantitative research. Sir started his session with the meaning and difference of qualitative and quantitative data. Quantitative research is stated in numbers and graphs. It is used to examine or confirm assumptions and theories. Sir mentioned that this type of research is implemented to establish generalized facts about a topic.

Qualitative research is represented in terms of words. It is used to understand concepts, thoughts or experiences. This type of research enables you to gather in-depth insights on topics that are not well understood.

Day 6: Sampling and Research Expectations

First slot of day 6 was conducted by Dr. Rajesh Kumar Tiwari to Day 6 of Research Methodology coursework. Researchers use two major sampling techniques: probability sampling and nonprobability sampling. With probability sampling, a researcher can specify the probability of an element being included in the sample. With nonprobability sampling, there is no way of estimating the probability of an element being included in a sample.

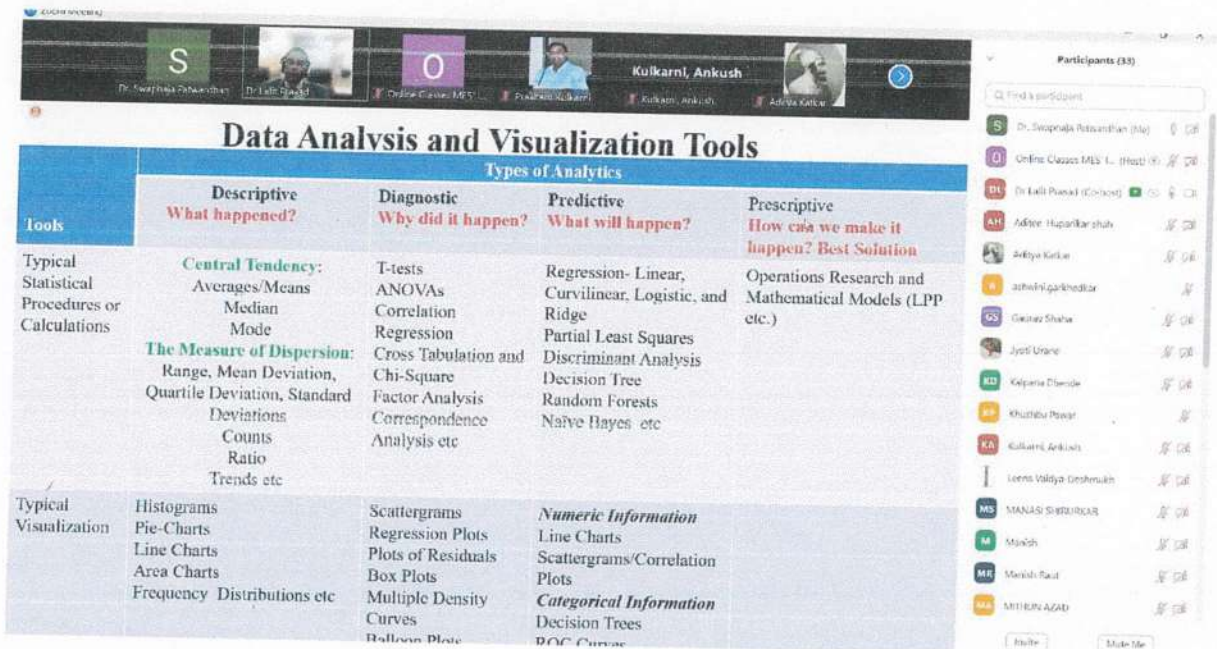

Second session was conducted by Dr. Amol Goje on Research Expectations. Sir stated dos and don'ts of research. Sir started his session from how to choose a research domain and topic? According to him the topics should benefit the society in some or other way. It should add some value to the body of knowledge. Sir emphasized on how important it is to follow research ethics during the research process.

Day 7: Fundamental of Statistics and Preparing Data for Analysis

Dr. Lalit Prasad, Associate Professor at Dr D Y Patil Institute of Management Studies (DYPIMS), Pune delivered his session on Fundamental of statistics and preparing data for analysis. He explained basics of statistics, data processing, data editing, data classification, representation of data in tabular and graphical form.

Day 8: Data Analysis using SPSS

Dr. Lalit Prasad, Associate Professor at Dr D Y Patil Institute of Management Studies (DYPIMS), Pune gave hands-on SPSS. Sir demonstrated data analysis using SPSS. During his session Uni-variate Analysis, Hypothesis Testing, Bi-variate Analysis, Multivariate Analysis, Non-Parametric Tests were covered using suitable examples.

Day 9: Instrument Designing and Pilot Study

First session of Day 9 was conducted by Dr. Rudrarameshwar sir on the topic Instrument Designing. He demonstrated how to design questionnaires by taking one example from the sales domain. He explained the way and importance of web-based questionnaires. Also, he discussed how to schedule and execute interview processes that can help to generate primary data.

Second session of Day 9 was conducted by Dr. Sagar Jambhorkar, Assistant Professor, National Defense Academy, Pune delivered a session on pilot study. Sir stated that a pilot study is one of the important stages in a research project. Researchers use pilot studies to evaluate the adequacy of their planned methods and

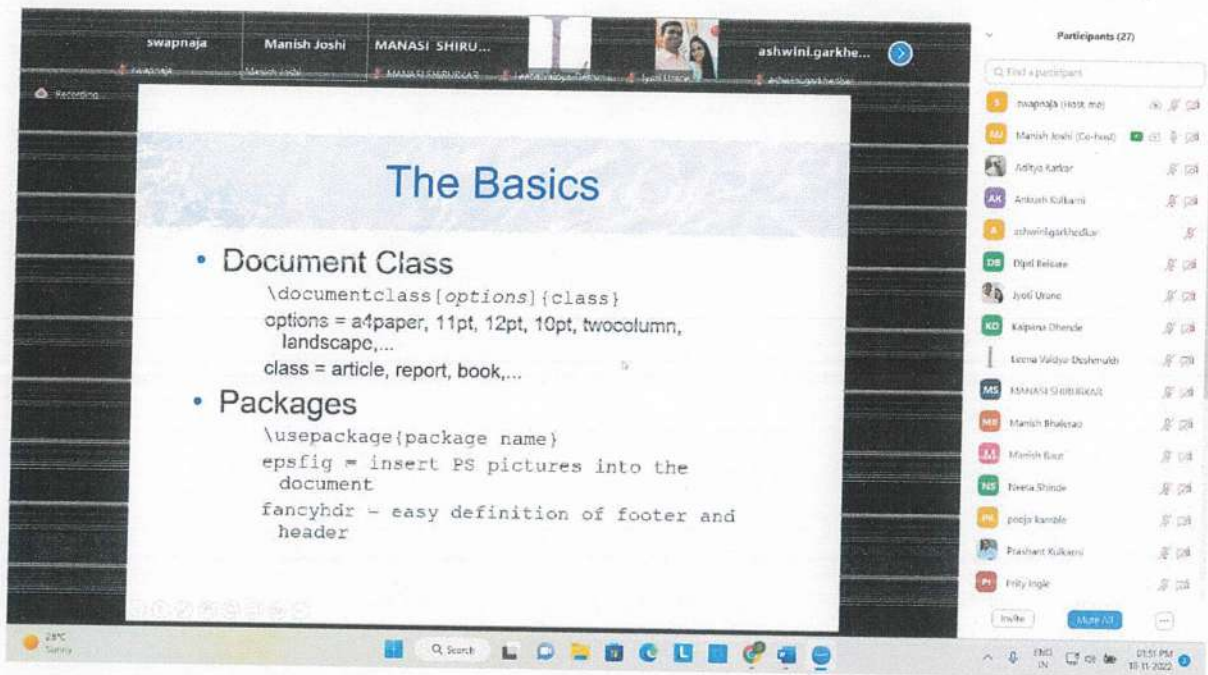

procedures. A well-planned and executed pilot study also may help researchers identify potential confounding variables that were not previously known and evaluate the strength of relationships among key variables to aid in the calculation of sample size.

Day 10: Measurement & Scaling and Reliability & Validity of measures

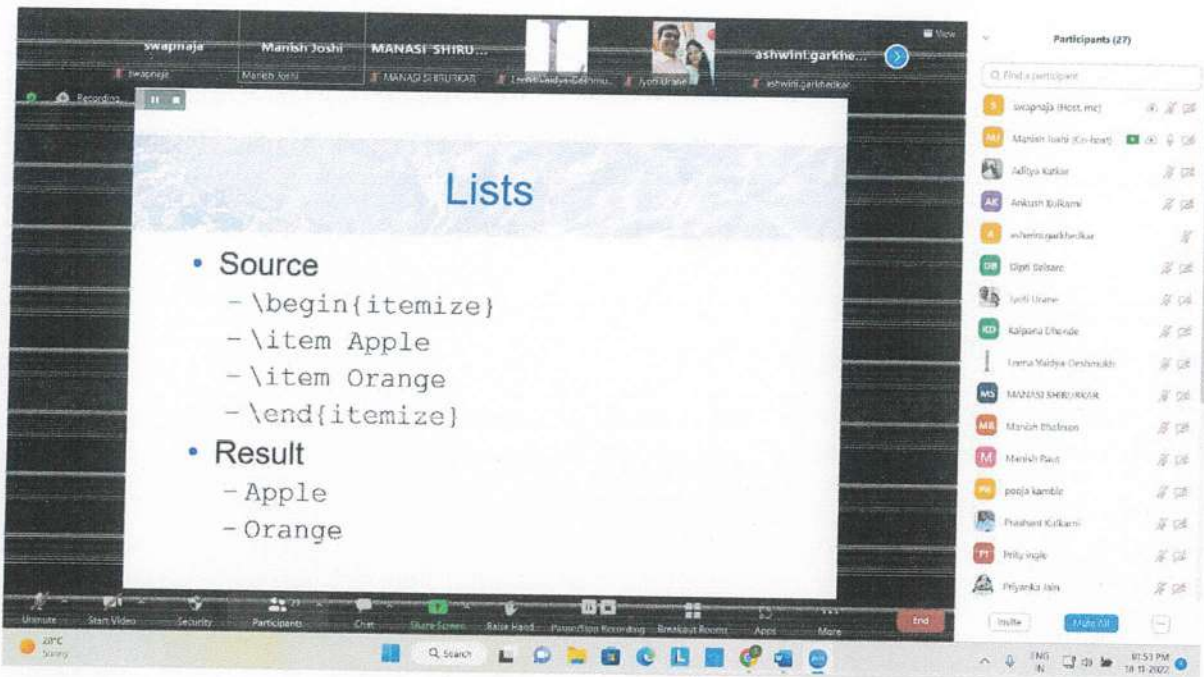

Dr. Sagar Jambhorkar sir conducted both the sessions on Measurement and scaling and reliability & validity. Sir discussed scaling techniques, multi-item measurement scales, Scale adoption, Scale development.

Day 11: LaTeX Introduction

Dr. Manish Joshi Professor and Head of the department, School of Computer science, KBCNMU, Jalgaon conducted a hands-on session on how to use LaTeX for research documentation. Sir demonstrated how to insert tables, diagrams in LaTeX with some examples. Sir explained how formatting of document can be changed by using class file like CAM, IEEE and Springer class file.

Day 12: Tools, Techniques & Methods of Data Collection and Generating Citation and creating bibliography list automatically

First session of Day 12 was conducted by Dr. Sagar Jambhorkar on Tools, Techniques and Methods of Data Collection. With various examples, sir explained the methods through which primary data can be collected by the researchers.

Second session was conducted by Dr. S. B. Kishor sir, Head of Computer, Sardar Patel Mahavidyalaya, Chandrapur, Maharashtra, on Generating Citation and creating bibliography list automatically.

Dr. S. B. Kishor sir discussing method of creating bibliography

Day 13: Analyzing the Findings & Conclusions and Guidelines about Writing the Thesis

Dr. Sagar Jambhorkar sir delivered a session on different methods to analyze the data and the finding conclusions from the analyzed data.

Second session was conducted by Dr. Rajeev Wankar, Professor, School of Computer and Information Sciences University of Hyderabad. Sir guided research scholars about writing thesis. Sir explained about the chapters to be included in the thesis, what things are to be included in the chapter. Sir also discussed the conclusion and the way in which future work has to be written.

Dr. Rajeev Wankar explaining Chapter Taxonomy

Day 14: Writing & publishing research papers

On Day 14, Dr. Sagar Jambhorkar sir conducted a session on writing and publishing research papers. Sir explained the meaning of a quality research paper. He mentioned that one must invest sufficient time on writing a quality research paper. And it is important to publish research work in reputed journals having a good index number. As per his guidance research should not compromise on the quality of research work being published on the national or international platform.

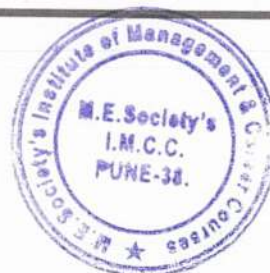

Day 15: Plagiarism and Ethics in research

First session of day 15 was conducted by Dr. Meenal Oak on the topic plagiarism. Madam explained the meaning of plagiarism, how and why it should be eliminated. She discussed software that can be used for plagiarism checking.

Second session was conducted by Dr. Pravin Yannawar sir, Associate Professor, Vision and Intelligent System Lab Department of Computer Science and Information Technology, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad. Sir discussed ethics in research, meaning of ethical research.

Valedictory Function

Dr. Pravin Yannawar, Dr. Manasi Bhate, Dr. Ravikant Zirmite, all the research scholars and faculty members of MES's IMCC was present during the valedictory function. Dr. Pravin Yannawar addressed research scholars. Dr. Manasi Bhate summed up RM Course work and proposed a vote of thanks.

**International Conference on Nurturing Innovations in an Organization
(ICNIO-2024)**

Date – February 15-16, 2024

Venue- MES Auditorium

Theme - Nurturing Innovations in an Organisation

Organizers - MES Garware College of Commerce (Autonomous), Pune MES Institute of Management & Career Courses (IMCC), Pune MES Senior College, Pune

A two-day international conference on 'Nurturing Innovations in an Organisation' took place at MES Auditorium, IMCC Campus, Kothrud, Pune, on February 15-16, 2024. The conference seamlessly blended both online and offline mediums. ICNIO-2024 was collaboratively organized by MES Garware College of Commerce (Autonomous), Pune, along with MES Institute of Management & Career Courses (IMCC), Pune, and MES Senior College, Pune.

The conference enjoyed the support of esteemed institutes as knowledge partners, which played a vital role in inviting speakers for various sessions. The distinguished knowledge partners included:

1. Savitribai Phule Pune University (SPPU)
2. Maharashtra Economic Development Council (MEDC)
3. Centre for Industry 4.0 – (C4i4 Lab) (an initiative by DHI - Government of India)
4. Entrepreneurship Development Institute Of India (EDII)
5. COEP's BHAU Institute of Innovation, Entrepreneurship and Leadership

Furthermore, the conference received support from IDFC First Bank. The entire event spanned two days, with the first day featuring the inauguration ceremony and a keynote address. Dr Ravindra Utgikar, VP, Praj Industries, gave the keynote address. It was followed by visits to the exhibition area and Technical Track (Sessions).

Over 87 papers, a culmination of contributions from both seasoned researchers and industry experts, enriched the intellectual landscape of the conference.

The panel during the valedictory session had Mr Prakash Dhoka, Chairman, DCCIA (Deccan Chamber of Commerce Industry and Agriculture), Dr Sunil Shukla, Director EDII (Entrepreneurship Development Institute of India).

This two-day international conference, has been a dynamic forum for exchanging ideas and collective knowledge from experienced senior industrial leadership, academicians and diverse audience. The enormous response from all quarters, asks for more of such conferences leading to direct interactions with the market giants.

Youth Day Celebration

Date – 12th January 2024
Time – 11 am to 12.30 pm
Venue- MES Auditorium
Speaker- Mr. Sunil Deodhar

To commemorate Youth Day, the Startup and Innovation Cell of MES' Institute of Management and Career Courses (IMCC), Pune, has arranged a session titled "युवा चेतना दिवस." The founder of My Home India, Shri. Sunil Deodhar, graced the National Youth Day celebration of Swami Vivekananda's Jayanti. He explored the profound teachings of Swami Vivekananda, illuminated India's rich history, and paid homage to Raj Mata Jijau's inspirational legacy in his motivational speech. Honoring knowledge, tradition, and the nation's unwavering spirit. MBA and MCA first year students have attended the session.
